# Dignity Health, St. Mary's Hospital Medical Center

Dignity Health

## McAuley Adolescent Outpatient

### Services:

The McAuley Counseling Enriched Education Program (CEEP) is an intensive outpatient program offering both therapeutic and academic services for teens residing in San Francisco. The program is based on a milieu therapy model in which the multidisciplinary team creates a therapeutic environment directed towards meeting the client's development of internal controls and acquisition of new skills. The therapeutic environment offers opportunities to acquire adaptive coping skills and allows the client to test these new skills in a secure and supportive setting.
